OBJECTIVES

Bilingual college graduate seeking a full-stack developer position.

EDUCATION

Utah Valley University, Orem Utah

Graduation: August 2020

B.S. Psychology; B.S. Biology

- Honors Graduate

Mountainland Applied Technical College, Lehi Utah

Certification: March 2013

- EMT – Basic Certification (2012)
- EMT – Advanced Certification (2013)

WORK EXPERIENCE

Guitar Lessons, Lehi Utah

August 2017 – November 2020

Guitar Instructor

- Taught playing the guitar on an individual and group level. Clientele mainly included individuals learning guitar for the first time. Instruction focused on the basics of guitar structure, chord formation, basic musical theory, finger-picking and strumming, and tab-reading
- Guitar lessons were given both for compensation and as a volunteer service. Volunteer guitar lessons were given at Discovery Academy Residential Treatment Center, Provo Utah

Lazenby Electric, Lindon Utah

June 2015 – June 2017

Apprentice Electrician

- Completed projects involving attention to long sets of detailed instructions. These projects frequently required long consecutive hours, heavy lifting, and overtime for completion
- In many cases, the normal solution to the installation of wiring or lighting was not applicable, and a larger understanding of electrical work was used to find alternate solutions

SKILLS

- Bilingual – Spanish
- Microsoft Office
- Teaching experience
- Laboratory work
- Public speaking
- Scientific process and reasoning

VOLUNTEER EXPERIENCE

Volunteer Care Clinic, Provo Utah

March 2019 – March 2020

Patient Onboarding/Offboarding; Medical Interpreter

- Assisted patients in entering personal information needed before they were able to be seen by physicians.
- Primarily received ESL families and individuals.
- Assisted patients in answering clarifying questions about diagnostic procedures and pharmaceuticals during offboarding.

Utah Valley University Emergency Response Team, Orem Utah

August 2015 – February 2018

Emergency Medical Technician; New Hire Trainer

- Provided first response care to patients on campus. Administered medical care in stressful environments. Assigned medical care roles to team members before arriving on scene to ensure timely and effective care
- Trained EMT Basic and EMT Advanced ride-alongs to handle emergency situations appropriately in real life scenarios
- Understanding of radio jargon used to effectively communicate with campus police dispatch and event crews via handheld radio while in the office, on call, or while patrolling campus events

American Red Cross, Provo Utah

October 2016 – August 2017

Hispanic Outreach Intern over Social Media and Documentation; Disaster Action Team Responder

- Participated in teaching Red Cross safety and prevention lessons to Spanish and English-speaking groups in Central Utah
- Organized and maintained group Facebook page, regularly posting events, pictures, and critical information
- Acted as liaison for the Utah Valley University campus with various Hispanic groups
- Participated in monthly Home Fire Campaigns in which we visited neighborhoods and taught families about fire prevention, fire safety, and the importance of up-to-date smoke alarms. For those homes that did not have working smoke alarms, we installed removable ones for no charge
- Responded to home disasters and supplied those affected with emotional support as well as monetary support provided by the American Red Cross

Utah State Hospital Physical Therapy Clinic, Provo Utah

January 2017 – May 2017

Physical Therapist Assistant

- Assisted patients at the hospital with exercises and stretches as organized by the lead Physical Therapist and his interns
- Responsibilities included appropriate documentation of patients' accomplishments during treatment, recommendation for future treatment, cleaning exercise equipment, and positive attitude toward patients

The Church of Jesus Christ of Latter-day Saints, Fort Lauderdale Florida

April 2013 – March 2015

Official Representative

- Conducted weekly training for groups of missionaries. Trainings were provided to analyze the effectiveness of different proselyting methods and discuss the needs of individuals in the community
- Organized and taught English as a Second Language classes to a group of primarily Hispanic descent
- Taught, made phone calls, wrote lesson plans and conducted interviews in Spanish
- Provided volunteer service weekly for families in need which included yard care, assistance with moving in or out, teaching English as a second language, and translation
- Performed regular interviews with each member of the team in my assigned area to review individual progress and to set goals and provide training for future improvement

Lehi Youth Football, Lehi Utah

August 2011 – December 2012

Assistant Coach

- Attended all team practices and games and assisted the head coach by running the team through drills and endurance training. Met with the coaching staff to discuss the needs of the team and watch film to prepare for future games.
- Helped coach a winning team for two consecutive seasons. The 2011 youth team won the championship game.
